

MUTUAL OF OMAHA VISION INSURANCE

Driving to work, reading news articles and watching TV are all activities you likely do every day. Your ability to do all these activities, though, depends on your vision and eye health. Vision insurance can help you maintain your vision as well as detect various health problems.

The City of Keene's vision insurance entitles you to specific eye care benefits. Our policy covers routine eye exams and other procedures, and provides specified dollar amounts or discounts for the purchase of eyeglasses and contact lenses.

The city will pay the employee only premium for vision and 70% of dependent cost. All cost associated with adding spouses and/or dependents will be the responsibility of the employee and deducted via pre-tax payroll deduction.

Use the Provider Directory on www.mutualofomaha/vision to locate nearby providers or to see if your current eyecare professional participates in the network.
